Experience

Associate Front End Developer, Priceline.com

New York, NY - Jun 2016-present

Currently working on Priceline's post-booking team. Clean design and positive user experience are priorities with an emphasis on A/B testing to obtain greater customer conversion

Working mainly with JavaScript, AngularJS, HTML, CSS/SASS in an agile environment to deliver customer-facing features and internal tools for web and mobile experience

Web Development Teaching Assistant, General Assembly

Seattle, WA – Jan 2016-Apr 2016

Regular interaction with 15+ students, guided instruction on various web development topics, debugging and communicated coding best practices. Provided assistance on several projects built in various languages and frameworks including node.js and ruby on rails

Web Development Immersive, General Assembly

Seattle, WA – Sep 2015-Dec 2015

12-week program covers HTML, CSS, JavaScript, jQuery, node.js, express.js, PostgreSQL, Ruby on Rails, AngularJS, and other technologies

Organic Farmer, Jumanji Farm

Sno-Valley and Seattle, WA – May 2014-Dec 2015

Founded and managed small-scale mixed vegetable farm as a participant of Sno-Valley Tilth's Experience Farming Project. Sold organic produce through a CSA subscription service and farmers markets in Seattle.

Senior Associate, Ogilvy Financial | Ogilvy Public Relations

Beijing and Singapore – Aug 2009-Dec 2012

Supported communications and investor relations programs for various China-based US-listed companies. Responsibilities included account management, planning, strategy, and media outreach

Education
